## ABSTRACT / 摘要

The paper must have an abstract. The abstract should be self-contained and understandable by a general reader outside the context of the paper. The abstract should be no more than 200 words and one paragraph only.

## KEYWORDS / 關鍵字

Please provide 3-5 keywords, each keyword has a maximum of 6 words. Separate each keyword by semicolon.

## 1. INTRODUCTION

A template is a set of styles and page layout settings that determine the appearance of a document. This template matches the printer settings that will be used in the proceeding. Use of the template is mandatory. Clearly explain the nature of the problem, previous work, purpose, and contribution of the paper. Prepare your manuscript following the one-column A4 format. Please use “Times New Roman” for English characters and “新細明體” for Chinese characters.

## 2. BODY OF PAPER

### 2.1 Figures and tables (圖、表)

Figures should be numbered consecutively as they appear in the text. Figures and tables should be placed as close to their reference point in text as possible. All figures and tables must have titles and must be referenced from within the text. Figure captions should always be positioned beneath the figures and table captions should always be positioned above the tables. The final sentence of a table or figure caption should end without a period.
